

# Life Insurance for you and your family

## Our history

Olé emerges as the rebirth of Amedex, an international insurance company created in 1986 and relaunched in 2019, a pioneer in offering international products in LATAM. As of 2021, it is consolidated as Ole Life, registered in Puerto Rico.

## About us?

We are the first insurer to offer 100% digital life insurance, with an innovative online underwriting process to provide the best service to our agents and clients. This process is supported by our reinsurers and the National Association of Insurance Commissioners.

## Our mission

Protect our clients with the best coverage so they can enjoy their life with peace of mind. In addition to our unique customer experience, contracting your insurance and protecting your loved ones is done easily, quickly and efficiently.

## ABOUT OLÉ

Olé Insurance Group (OIG) is a cutting-edge technology insurer (Insurtech) specialized in the area of life insurance, focused on offering protection and well-being products, seeking to promote the insurance culture in Latam and the Caribbean.

## WHY CHOOSE US?

Our innovative products with affordable rates are backed by the best reinsurers in the world, to provide peace of mind to our clients. In addition, you can complete the application in just 8 minutes.
